150409147GZU-001

This verification is part of the full test report(s) and should be read in conjunction with them.

* 60 minutes fire resistances: Grade B for EU6450; Grade 0 for EU6451, EU6452, EU6454 and EU6453.

Signature

Name: Happy Chen
Position: Assistant Technical Manager
Date: April 24, 2015

This Verification is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to permit copying or distribution of this Verification. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test/inspection results referenced in this Verification are relevant only to the sample tested/inspected. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
